

# Helping your children learn:

(some great brochures to read at the following Education Department web address)

<http://det.wa.edu.au/schoolsandyou/detcms/navigation/category.jsp?categoryID=12767143>

Helping your children learn is really easy. You will both benefit from this special time together. The joy of watching your children's eyes widen as they begin to understand a tricky concept, or watching the joy on their faces as they eat something you have cooked together is wonderful. All you need to do is make learning fun, and understand that learning can be done through everyday activities such as exploring the garden as well as by enjoying reading a book together.

In this section, you will find a range of resources to help you support your children's learning. Choose from the following.

- [Before school](#)
- [Starting school](#)
- [Maths](#)
- [Reading](#)
- [Science](#)
- [Writing and spelling](#)
